\*Empresas que se han unido al Proyecto Standard Internacional por el que se comprometen a no realizar ningún test en animales en el futuro. Sus productos finales ni los ingredientes que los componen han sido testados en animales. Se distinguen por un logo reconocido internacionalmente.

1 División de Procter & Gamble que no experimenta con animales

+ Empresas que no testan sus productos finales en animales, aunque no se han pronunciado respecto a los tests para las materias primas. (Por ejemplo:L'Oréal : Anaïs Anaïs, Biotherm, Cacharel, Drakkar Noir, Garnier, Giorgio Armani, Gloria Vanderbilt, Guy Laroche, Lancôme, Studio Line, Ralph Lauren) (la marca Maybelline, que pertenece a L'Oréal no prueba sus ingredientes ni productos finales en animales)

(Clarins se considera que no testa ni ingredientes ni productos finales, pero en su última crema especifica "no testado en animales el producto final")

Última hora: Colgate-Palmolive (Colgate, Palmolive, Ajax)y Gillette (Aapri, Braun, Duracell, Liquid Paper, Oral-B,Paper Mate, Silkience, bolis Parker) han firmado una moratoria de experimentación con animales!
